Payment Form (Circle One) **CASH** **CHECK No. _____**

CSA Pick Up Location (Circle One)

Keene Farmers Market

Farm Stand in Walpole

Four Winds Farm in Peterborough

I hereby purchase a CSA membership for the 2020 season. Community Supported Agriculture is a relationship beyond a simple exchange of produce for cash. It is based on mutual respect between CSA members and the farmer. It is very important that members be mindful of the following:

A) The farm relies on income from the CSA to operate.

B) We plant and tend crops for months before the customer receives anything. Each CSA membership represents the work and attention to detail that goes in to seeding, transplanting, weeding, growing and harvesting each item. It is our responsibility to grow nutrient dense vegetables for our customers. It is the members responsibility to pick out their share at the designated times and locations. Members acknowledge that although we are committed to growing high quality produce in accordance with organic standards, there are risks involved in the nature of agriculture (drought, disease, unpredictable weather, early frosts, rodents, crop failure). Risks are shared between farm and member. We do our best to provide a high quality selection each and every week. Member acknowledges that refunds are not available, as we rely on CSA money to pay for seeds, utilities, and tools prior to market season. By signing below you state that you have read and agree to the terms above.
